

VUL-FRM-08-06-COVID-19 Declaration - Coal Mine Worker

In the current COVID-19 environment it has become imperative that Vulcan Mine implement a number of precautions to ensure the safety of our workers and the wider community.

We ask that any coal mine worker **who has been in a declared LGA hot spot within the last 14 days** complete the following, **prior to travelling to the Vulcan Mine** or associated accommodation (without exception). For an updated list of declared hot spots, refer to [QLD Government COVID-19 hotspots](#). Email completed forms to ert@vitrinite.com.au

Yes ☐ No ☐: I have been asked to self-isolate in the last 14 days.

Yes ☐ No ☐: I have symptoms of an influenza like illness including fever OR symptoms of acute respiratory infection (e.g. shortness of breath, cough, sore throat). A full list of COVID-19 symptoms is available [here](#).

Yes ☐ No ☐: I have been in close contact with a confirmed case of COVID-19 (either in the community or at work) or with someone awaiting the results of COVID-19 testing within the past 14 days.

Additionally, we ask that you support us to reduce the risk of passing on infections by:

- Stay at home if you are unwell and get tested for COVID-19.
- Where possible, practice social distancing by staying at least 1.5m from others.
- Washing your hands often with soap and water or alcohol-based hand sanitiser.
- Wiping down surfaces regularly with an effective sanitiser or disinfectant.
- Covering your coughs and sneezes with a tissue or the crook of your elbow.
- Follow the advice of Queensland Government in relation to resource workers travelling outside of hotspots areas for work.

Submit completed form to ert@vitrinite.com.au, prior to expected departure.
