

VUL-ATN-24-Scaffolding

All Coal Mine Workers are required to be site authorised prior to performing any scaffolding activities. This authorisation will only remain valid whilst the required pre-requisites remain current.

It is the Coal Mine Workers responsibility to ensure their qualifications remain current and to submit copies of refreshed qualifications to the HST department as completed.

It is the responsibility of the HST Department to ensure their qualifications are in the Vulcan Mine records and are current prior to signing this authorisation form.
